THE WORLD BOOK YEARBOOK, 1968

April, 1968

As a continuation of the publication of the Braille edition of THE WORLD BOOK ENCYCLOPEDIA, Field Enterprises Educational Corporation has again generously paid for the plate-making of the 1968 WORLD BOOK YEARBOOK, although, as for the 1967 YEARBOOK, no free copies will be available. Rather, the 1968 YEARBOOK will be available at the printing-and-binding costs only.

The plates for the 1968 YEARBOOK are nearing completion, and copies will be printed during the summer months, as follows:

WORLD BOOK YEARBOOK, 1968. (6 v). Cat. No. 6-5800. $24.30, postpaid.

Copies may be ordered on quota accounts, or purchased on an accounts-receivable or cash basis.
